

PERFECT TREATMENT: MASSAGE – HEAT – FLOATING

More than just massage – the easy and efficient treatment with Wellsystem Medical ensures total relaxation and loosening up of muscles by means of its unique combination of warmth and water pressure. Wellsystem Medical activates the metabolism and the immune system, an effect that can be optionally supported by a professional oxygen inhalation system.

- Operated by a joystick with a soft-touch keypad
- Self-explanatory images for easy use
- Programmable chip cards
- Add-ons: multimedia-player and oxygen inhalation device
- Complete information package for perfect promotion
- Cabin systems – the perfect solution for limited space
